

BEYOND VISIONING – DELIVERING TOMORROW, TODAY

A High Profile Development Programme on Transformational Leadership for top visionaries and decision makers (4 days)

About the Programme

This is an intensive four-day programme for leaders in every sphere of endeavours, in exploring new ways of delivering visions through times of uncertainty and improving performance through the use of best practice models of leadership. Delivering Tomorrow, Today is our high profile programme on Transformational Leadership that provides leaders with a framework and future-focussed thinking, to envision tomorrow but deliver it now. The programme offers each delegate a separate time with our faculties, to strategically embed their respective vision, be it in major reforms, privatisation, divestment, development, outsourcing, or international expansion.
