

## **LIBERATING LEADERS (3 days)**

This programme aims to give top managers and executives the skills and confidence necessary for effective leadership in the face of unparalleled demands in a constantly changing environment. You will already be a successful manager or leader. This is a valuable opportunity to take time away from day-to-day pressures to reassess priorities.

### **Modules include:**

- Leadership in Action
- Practices of Exemplary Leadership
- Liberating Leaders from Managing
- Navigating Change, and
- Visioning to Delivery Pathways.

Delegates also attend the IOD UK Leadership Conference and meet some of the most successful leaders across the world.
