

STRATEGIC PLANNING AWAY DAYS (3 days)

With years of experience advising large corporations and government agencies, we take the senior management and Boards of organisations away on a two to three day retreat to work through the organisation's journey from vision to delivery.

Our typical programme, which can be tailored to individual organisation includes:

- Vision translation, transition and transformation
- Navigating, managing and delivering change
- Maximising corporate knowledge and intelligence
- Repositioning HR and Finance for added value
- Strategic planning framework and performance management
